

Over the time we have been with SBS there have been a number of adjustments to the financial support we buy. This has been done in discussion with SBS and changed according to the particular needs of the school.

We now have an arrangement which ensures we are always up to date with payments and with Local Authority returns, as well as ensuring efficiency in keeping Governors fully informed on a monthly basis of our financial situation. All FMSiS requirements are also fully in place.

A.Higgs, Headteacher

St George's Cathedral Catholic Primary
