

Enhance your teaching & learning

Interactive touchscreens from Clevertouch

Benefits for schools:

- + **All-In-One** – no intrusive fixtures in the classroom
- + **Easy to maintain** - wipeable screen, no bulb replacements, no filters to clean
- + **No shadowing** – projectors cast obstructive shadows on classroom screens
- + **Versatile** - screens support multiple wireless devices
- + **Durable** - no degrading of brightness or discolouration over time
- + **Height adjustable** - both students and teachers can effectively use the interactive technology

SBS will provide:

- ✓ Complete survey for all installations
- ✓ Full supply and fitting
- ✓ Comprehensive 5 year on-site next business day repair/replace swap out warranty supplied with every screen*

* International customers please contact us for details
