

Becontree Primary School Testimonial

"We first bought services from SBS in April 2017 when I was a newly appointed headteacher with limited financial management experience. Three years on in April 2020, I can honestly say my confidence, knowledge and understanding of school budget planning and monitoring systems and procedures are unrecognisable. To top it all, the school has just achieved a very, very positive outcome to a recent financial audit.

Thank you, SBS! We couldn't have done it without:

- The monthly school visits from our professional, patient, dedicated and knowledgeable consultant
- Our consultant's personalised, systematic programme of mentoring and advice for myself and the school's Business Lead

Can't wait to learn more next year!"
