

Charlton Park Academy

Charlton Park Academy

Testimonial

“The SBS Finance Managed Service team have been supporting us since September 2018. They give us peace of mind of sustainable operations by handling all purchasing processing as well as liaising with our suppliers on our behalf. This enables our team to focus on the strategic direction of the academy.

SBS is on hand throughout the year and we have found them to be efficient, knowledgeable and professional in their approach.”

Mark Dale-Emberton

Headteacher
