

Gildredge House Testimonial

“The support we have received from SBS with the administration of our MIS has been invaluable. In fact it is hard to imagine how, as a brand new school, we could have coped with the vital aspects of admissions, student database and timetabling. What was particularly reassuring was the extensive knowledge that the SBS support staff had in the MIS. This, coupled with their willingness to be there to help us in challenging times, whether in person or on the end of a telephone, meant that we were able to achieve business continuity and inspire confidence in our community about our working practices, which is so important in a new organisation. We look forward to working closely with SBS on the administrative side as we grow to a full PAN and a thriving establishment.”

Mrs L Gilbert
Headteacher
