

Harry Gosling Primary School Testimonial

“SBS support saved my life. I had started my new job role coming in to the oblivious realising that a lot of my work revolved around using SIMS. However, whenever I had been lost/confused or even wanted clarification of something, SBS would help me to their full capacity. The team are professional, funny, friendly and very supportive. Thank you very much SBS!”

Rujina Begum

Pupil Service Manager

“We would like to thank you and your team for great support. Being there at the end of the phone, remote access and in person.

Our team is newly established and so we have relied heavily on your team to support us with pupil data, census, training, great advice and most importantly your patience.”
