## London Borough of Hillingdon Testimonial

---

"I recently attended the Year End processing Webinar that was delivered by Chris Partridge and her team. The session was very relevant to my role and also confirmed a number of processes that we carry out at the LA. All three SBS representatives were very professional and well informed. I am a schools finance officer working for London Borough of Hillingdon and we have been using SBS Budgets for over 2 years.

I find the SBS Budgeting system to be simple and straight forward to use and the customer service that we receive from the team is excellent. I am happy with the service that SBS provide and I would recommend them to other schools and LA's."
