

Preston Manor School Testimonial

“We had our first Internal Scrutiny/Internal Audit carried out by SBS during Dec 2020 after previously using our external auditors for this service. Our consultant was extremely professional and helpful throughout the whole process.

The audit was carried out remotely due to lockdown restrictions, but we were given a clear list of items needed and the whole process ran seamlessly including remote access to our MIS. Communication was clear throughout and we were very happy with the report produced which was promptly submitted to our Governors. The observations were fair and the recommendations given have been taken on board by the finance team.”
