

This course of workshops is designed to help you gain the knowledge required in the world of academy finances and operations. The differences between a maintained school and an academy is the primary focus.

Six sessions provide a confidential, open minded, non-judgemental space and enable you to take the important 'time-out' to focus and reflect on personal and professional development.

Constitution and composition of an academy

- Trend of government direction
- Regional Schools' Commissioner
- Governance and management structure
- Academies Financial Handbook (AFH)
- Academies Accounts Direction (AAD)
- Company secretary

Funding hierarchy & other income streams

- Differences between maintained schools' and academies' funding
- Sources of government and third party funding
- New language of academy funding
- Difference between your DSG and ESG

Expenditure

2

- 3
- Impact on your chart of accounts
- How best to implement change
- Alternative financial management systems
- Understanding your scheme of delegation

Governance & financial reporting

 Financial reporting requirements and deadlines

4

- Review and implement new policies
- Implement financial control and accountability
- Risk management

Responsibilities previously undertaken by the LA
