

Castleman Academy Trust Testimonial

“Castleman Academy Trust has been using SBS HR Services for the last two years and we have been so impressed with their professionalism, knowledge and response times to our queries.

From raising a question with Service Desk staff to meeting personally with our HR Advisor, we have always felt hugely supported. The expertise and knowledge provided by all we work with at SBS has been most impressive. They have supported us with such a variety of issues, from restructuring to policy development.

SBS has a great team which provides us with guidance and support, and our named advisor, Jo Blair, has been particularly helpful and we have really valued and appreciated her input. It's clear that she wants a positive and sensible outcome for all involved in any HR issue.

As with all organisations, from time to time you review the providers you have looking after you. We haven't found another provider who can match the support, knowledge and excellent relationship building that SBS has offered!”
