

Sign-in solution for education

Is your school safeguarded?

Allowing the quick sign-in of students, staff and visitors, InVentry delivers powerful registration management solutions for education.

Benefits for your school:

-  Easy to operate and train staff
-  Saves time by syncing with MIS
-  Intuitive system to store visitor data

Manage sign-ins anywhere

Key features

 InVentry Reception Console

 Thermal Label Printer

 Full installation service

 DBS & Safeguarding Module

 Staff notifications

 Ongoing support

SIMS integration

As an accredited support provider for Capita SIMS we are excited about InVentry's integration with the system to provide a complete visitor sign in experience.

Automatically reads class lists from SIMS meaning no time consuming manual updates are required.

“The InVentry visitor entry system has paid dividends in terms of safeguarding; OFSTED inspectors loved it.”
