SBS ICFP software with consultancy

How sustainable is your curriculum?

Our software and consultancy provides the answers.

1

Intuitive, innovative software

From the creators of SBS Online

2

Consultancy for funding submissions

Apply for the MAT Development Investment Fund (MDIF)

3

An efficient, effective service

Recommendations on achieving self-sufficiency

What information does it contain?

- Pupil numbers
- Staff numbers
- Curriculum data and financials
- Single or Multi School Reports (if a trust)

What questions does SBS ICFP answer to accurately plan ahead?

- Is a particular subject financially viable to run?
- When pupil numbers change will you need to hire more staff?
- Is our school or trust utilising staff effectively?

What are the benefits of future integration with SBS Budgets?

- Eliminating the need for manual input of staffing costs
- Links to schools MIS system for timetabling data

SBS Budgets is the leading budget management software for schools, academies and MATs
